

Adele - Hiding My Heart chords for capo at 4

INTRO:G-C-G-C

G C
This is how the story went
Em D/F#
I met someone by accident

C G
Who blew me away
C D/F#

Who blew me away
G D/F#
And It was in the darkest of my days

Em D
When you took my sorrow and you took my pain
C G

And buried them away,
C D/F#
Buried them away

CHORUS:

C D
I wish I could lay down beside you
Em G
When the day is done
Am D Em (G,F#,E)
And wake up to your face against the morning sun
C D

But like everything I've ever known
G Em
You'll disappear one day
Am D C G-C-G-C
So I'll spend my whole life hiding my heart away

G C
Dropped you off at the train station
Em D/F#
And put a kiss on top of your head
C G
I watched you wave
Em D/F#
I watched you wave
G D/F#
Then I went on home to my skyscrapers
Em D
Neon lights and waiting papers
C G
That I call home
C D/F#
I call that home

REPEAT CHORUS

I Woke up feeling heavy hearted
I'm going back to where I started
The morning rain
The morning rain
And though I wish that you were here
On that same old road that brought me here
It's calling me home
It's calling me home

REPEAT CHORUS

And I can spend my whole life hiding my heart away
