

U2 - Miracle Drug

Intro: D A Bm G x2

D A Bm
I want to trip inside your head

G
Spend the day there
To hear the things you haven't said
And see what you might see

I want to hear you when you call
Do you feel anything at all
I want to see your thoughts take shape
And walk right out

Prechorus:

G A
Freedom has a scent
D Em
Like the top of a new born baby's head

Chorus:

G A
The songs are in your eyes
D Em
I see them when you smile
G A
I've seen enough, I'm not giving up
Bm (use intro/verse chords to fill)
On a miracle drug

Verse III:

Of science and the human heart
There is no limit
There is no failure here sweetheart
Just when you quit
I am you and you are mine
Love makes nonsense of space

Prechorus:

And time will disappear
Love and logic keep us clear
Reason is on our side, love

Chorus:

The songs are in your eyes
I see them when you smile
I've had enough of romantic love
I'd give it up, yeah, I'd give it up
For a miracle drug, a miracle drug
A miracle drug

Bridge: Bm A G

Bm A G
Oh God, I need your help tonight

Guitar solo-use chorus chords

Last chorus lead-in:

G A
Beneath the noise Below the din
D Em
I hear a voice It's whispering
In science and in medicine
I was a stranger You took me in

The songs are in your eyes
I see them when you smile
I've had enough of romantic love
Bm Em
I'd give it up, yeah, I'd give it up
G A Bm Em
For a miracle drug, for a miracle drug
G A Bm Hold Bm to finish
Miracle, miracle drug
